## Product characteristics

### All-slide touch solution

Easy control music playback and incoming call information without the hassle of physical buttons.

### Pure sound quality

The sound quality is soft, specially designed for music lovers, allowing you to immerse yourself in the ocean of music.

### Waterproof and sweatproof

Effectively prevents sweat from corroding the circuit, worry-free exercise, and release your passion.

### Zero leakage

Anti-sound field acoustic system, noise-canceling call, used with sound guide, almost no sound leakage.
