

# CORDLESS VACUUMS SERIES

## SPECIFICATION

Rated Power	160W
Suction Power	21000Pa
Dustbin	0.55L
Working Time	18Min~35Min
Noise	65~73db
Li-ion Battery	2200mAh
Voltage	22.2V
Charging Time	4.5H
N.W.	2.67kg
G.W. (6PCS IN 1CRT)	17.5kg
Standered Box	440*275*135mm
Product Size	575*460*445mm

150R SPL

## Features

- Cordless - wide range of cleaning without constraints
- Duplex conductive tube -Easy to disassemble and save logistics
- 2200mAh lithium-ion battery - super endurance
- 65dB bass operation - no noise, cleaning more comfortable
- Visualized dust cup -One button to pour dust, no contact and no dirty hands.
- 21KPA powerful suction power -Double adjustable (standard/strong)

## Dust removal at 400 RPM Tender care

## Product Acessories

❶ Brushless motor, dust cup, handle

❷ Floor mop head

❸ Charger

❹ Splicing conductive Tube

❺ Wall-hanging

❻ 2-in-1 combo brush

❼ Standby HEPA

❽ Battery

## Unique small package design

--Reduction of logistics cost

--Convenient for storage and transportation
